

Ali Raza Memon - Write Up

A committed safety management consultant and corporate trainer with more than 13 years cognate experience in providing systematic, integrated, planned and comprehensive consultancy and training to provide solutions to improve enterprises effectiveness. His excellent and unparalleled services have been acknowledged, commended and recommended in the industry.

He is a committed individual who loves contributing his ideas to resolve corporate challenges, thereby decreasing operating inefficiencies at all levels using a simple but unique approach. He is knowledgeable, experienced, versatile and identifies with many professional bodies. He is serving as General Secretary & Board Member of Pakistan Safety Council (PSC). He is an Executive board member and Fellowship of OSHA Association UK, and is currently the President for Occupational Safety and Health Association Pakistan Region.

His contributions to the industry include training 6000+ Safety Professionals, conducting Safety Audits in different organisations and organising free PHA First Aid and CPR Heart Saver training for students and industry workers.

He was awarded the Best HSE Leadership Award from PSC, CSR Award from TPN and is known as an International PGD OSH program maker.
